Sun Safe Policy

Australia has the highest incidence of skin cancer in the world, with skin cancers accounting for around 80% of all new cancers diagnosed in each year in Australia (Cancer Council South Australia, March 2005). The Belair Primary School OSHC Sun Protection policy is to ensure all children and staff are protected from skin damage caused by the sun while attending the service. Too little exposure results in a lack of vitamin D and too much exposure results in sunburn, eye damage and cancer.

Policy Statement

The Belair Primary School OSHC service provides a balanced approach to ultraviolet radiation exposure. This approach will follow the current scientific advice on UV exposure and provide children and Staff with the opportunity for safe and protective UV exposure related to the UV index and will be seasonal in nature.

- Encouraging the use of sun-smart techniques as outlined in the Cancer Council SA Sun Smart policy.
- Staff and children will be required to wear an OSHC hat (purchased for \$5.00 at enrolment) whenever they are involved in outside activities from 9:00 am during After School Care Term 1, and 4. Vacation Care December/January, April and October.
- During December/January, April and October Vacation Care children will not be able to participate in any excursions and or outside play activities unless they wear an OSHC Hat, T-shirt, Rashie and sun-screen applied during all outdoor activities.
- Children wearing inappropriate clothing and/or footwear e.g. (footwear) thongs/slip-ons, (clothing) tank-top or sleeveless tops will be excluded from all outdoor activities (at the discretion of the Director).
- Staff to remind, encourage and assist if needed children to regularly apply sun-screen every 2 hours (on arrival, morning recess – 11.00am, lunch – 1.00pmm afternoon recess – 3.00pm).
- Staff are to model by not wearing inappropriate clothing and/or footwear e.g. (footwear) thongs/slip-ons, (clothing) tank-tops, sleeveless tops or dresses or short shorts
- Staff to model good sun-safe practices by wearing an OSHC hat and regularly applying sun-block.
- Staff are to encourage children to take responsibility for their own sun protection.
- Staff to program for both shade and sun activities.
- Ensure families, Staff and children are informed about the service’s sun-smart policy.
