## SCHOOL CLOSURE TOMORROW

### BELAIR PRIMARY BULLETIN

Welcome to our first Belair Primary Bulletin. At a recent governing council meeting we discussed our existing communication practices and made a commitment to reflect on what is currently being provided. While the school newsletter remains one of our key communication vehicles (coming home on Thursdays weeks 1, 5 and 9) we have recognised a need for something in between the newsletters. So moving forward, we will be sending home a succinct smaller Belair Primary Bulletin in weeks 3 and 7 which along with our newsletter will provide a regular fortnightly stream of school information coming home to families.

### EMERGENCY DRILLS

From now until the end of the year we will be practising all of our emergency procedures on 2 occasions. This includes emergency evacuation, emergency close down procedures and emergency bushfire procedures.

### ASBESTOS

We are awaiting the final report on the year 3-5 playground and nature play area which is currently closed off. We are strongly advocating for an outcome to the processes that have been put in place.

### STUDENT LED CONFERENCES

Classes will be open to parents on Wednesday 26<sup>th</sup> September from 9.00 – 10.00am and 6.00 – 7.00pm for the annual student led conference. Students will be ready to share their learning portfolio with parents during these times. This is a great opportunity for your child to share their learning with you, please add this date to your diary.

This year we will be introducing a booking system for student led conferences. Further information around the booking arrangements will arrive in a separate email to families next week.

### R – 7 DISCO

#### Thursday 20th September

Rec – Yr2 6:00 – 7:00 pm  
Yr 3 – 7 7:15 – 8:30 pm
