PRINCIPAL'S REPORT

2019 Class Placement Process

It's that time of the year again and preparation for next year's classes is now underway. Forming effective classes is about putting together a group of children who can learn and be taught together in the most favourable learning environment. Usually this means creating a group of students that has a gender balance, a range of learning abilities and a range of behavioural and social needs. Factors such as friendships groups, learning styles, social and emotional maturity and physical size are also considered when making up class groups.

Our process for creating classes for 2019 will include:

- By Friday Week 3 - Students create lists of other students that they would like to be with in 2019 for consideration.
- By Friday Week 3 - Staff provide information on the social, behavioural and academic needs of students.
- By Friday Week 3 - Parents are invited to contribute to the class placement process in writing via the week 1 newsletter. This is not a forum for choosing a teacher, we value parent suggestions in regards to their children on things such as; particular learning needs, views and opinions on the best type of class, aspects of their education which have been successful and friendship groups.
- *Parent input needs to be returned to the school front desk by Friday 2nd November, marked as confidential and addressed to the principal, Rob Houston.*
- Week 4 -7 - Class placement process –developing classes for 2019.
- Classes finalised week 8 – final brokering (Principal / Deputy Principal and relevant parties)
- Students visit classrooms Thursday pm week 9
- Parents informed Thursday Week 9

After consulting with staff, parents and students we aim to provide the best learning environments to best meet the needs of our range of learners within the scope of the available structure. It is the responsibility of the Principal to make any final decision on classes and placement of students.

IN MEMORY

Sadly, Diane Mundy, one of our dedicated Resource Centre volunteers passed away during the holidays. Diane was a friendly, enthusiastic, appreciated lady, was a wonderful helper and absolutely loved the colour purple.

Our sincere sympathy is extended to the Mynott and Gould families.

MATERIAL & SERVICES CHARGES - 2019

The Finance Committee has recommended to the Governing Council that there be no increase in the Materials and Services charge for 2019. The recommendation is that fees be stay at \$380.00.

This charge contributes to the cost of providing essential items used or consumed by individual students during the course of their learning. For example, printed and

electronic materials, workbooks and access to textbooks, stationery supplies, curriculum materials for the 8 areas of study, printing and copying for use in the educational program. We believe that the annual Materials and Services levy represents excellent value at approx. \$9.50 per school week.

Parents are invited to a public meeting to approve the Materials and Services charges for the next school year. This public meeting will be held on Tuesday the 6th November at 6.00 pm in the Staff Room prior to the Governing Council meeting. In lieu of attendance, parents can express their views in writing to the chairperson prior to the meeting. Any such correspondence will be tabled at the meeting.

Should you have any inquiries regarding this please contact Judith Wood or Rob Houston.

Many THANKS to all parents/grandparents, staff and volunteers who have contributed. Your generous donations have certainly been appreciated. CANTEEN NEWS

Sun's out (well should be) hats are on it must be term 4 already! We have lots of exciting things happening in the Canteen this term.

To get us started Wednesday October 31st (week 3) is Halloween so it's time to spook up the Canteen and have a fun day! I would love a hand with any donations of spooky or non-spooky treats that you can come up with to sell on the day it would be greatly appreciated. Just bring your culinary delights to the Canteen either Tuesday or Wednesday ready for us to sell. Also remember to give the kids some money to come in and join in the fun.

Of course the event of the year in the Canteen is SPORTS DAY and I will soon be getting out info to you regarding lunches, helping on the day and the very popular cake stall. So watch out for this information as it makes its way home to you.

The other very important issue is Reducing waste! In the Canteen we are tracking to use more than 8000 paper bags this year!! That is unbelievable especially for an eco-friendly school. You can help radically reduce this by purchasing a re-usable lunch wallet for only \$12 from the Canteen or from the Canteen Flexischools menu.

Returning to the Canteen in term 4 will be our summer snacks: Fresh fruit cups, homemade fruit ice pops, frozen orange juice cups just to name a few!

I am looking forward to a busy and exciting term 4.

Thanks
Julie

PASTORAL SUPPORT WORKER

Dear Belair Families,

Welcome Back

Welcome back to what I'm sure will be a busy (and sometimes stressful) term. I have a love/hate relationship with term 4. There is a lot of anticipation and excitement as we head toward the holidays and a long summer break. But then, there is a lot of stress in preparing for holidays, family gatherings, break-up parties, sorting out gifts, etc. From my experience, it is this time of year when some families feel particularly stressed. Be sure to look after yourselves. Feel free to catch-up with me if you need support.

Group for Students who have siblings with special needs

This term I will be starting a group for students who have siblings with special needs. A child with special needs requires extra support and attention. Sometimes the siblings of these children need to pick up additional responsibilities, or miss out on opportunities. This will be a group that will give students who have a sibling with special needs to:

1. Get a bit of extra attention and TLC
2. Have an opportunity to share with others in similar situations
3. Develop ways of coping
4. Celebrate the uniqueness and joys of having a sibling with special needs

We will meet a couple of times each term during lesson time. If you have a child who would benefit from being included, please contact me via email at sara.walding521@schools.sa.edu.au

I hope you have a great term!

Sara Walding, Pastoral Care Worker
