Clothing and sun safety at Vacation Care

Please ensure your child is wearing sunscreen and is clothed appropriately for exploring and playing freely so they are not restricted from using equipment while at play. Please ensure children have appropriate footwear that enables them to play comfortably and does not cause safety concerns. Thongs, clogs or backless shoes are not appropriate for safe play. Please ensure clean and appropriate spare clothing is available in children's bags if required. Please ensure all clothing and belongings are clearly labelled with the child's name.

Children's Behaviour

Belair Primary School Out of School Hours Care Program aims to foster and enhance children's decision-making, problem-solving and self-help skills. We promote positive communication with children and adults as well as respect for property and equipment. Staff will encourage children to take responsibility for their own actions.
