CLASS PLACEMENT 2021

It's that time of the year again and preparation for next year's classes is now underway. Forming effective classes is about putting together a group of children who can learn and be taught together in the most favourable learning environment. Usually this means creating a group of students that has a gender balance, a range of learning abilities and a range of behavioural and social needs. Factors such as friendships groups, learning styles, social and emotional maturity and physical size are also considered when making up class groups.

Our process for creating classes for 2021 will include:

- By Friday Week 2 - Students create lists of other students that they would like to be with in 2021 for consideration.
- By Friday Week 2 - Staff provide information on the social, behavioural and academic needs of students.
- By Friday Week 2 - Parents are invited to contribute to the class placement process in writing via the week 1 newsletter. This is not a forum for choosing a teacher, we value parent suggestions in regards to their children on things such as; particular learning needs, views and opinions on the best type of class, aspects of their education which have been successful and friendship groups.
- *Parent input needs to be returned by Friday 23rd October, marked as confidential and addressed to the Principal, Rob Houston.*
- Week 3 -7 - Class placement process –developing classes for 2021.
- Classes finalised week 8 – final brokering (Principal / Deputy Principal and relevant parties)
- Parents informed Thursday Week 9
- Students visit classrooms Friday am week 9

After consulting with staff, parents and students we aim to provide the best learning environments to meet the needs of our range of learners within the scope of the available structure. It is the responsibility of the Principal to make any final decision on classes and placement of students.

2020 DIARY DATES

Monday Afternoon Uniform Shop open 3:00 – 4:00 PM
Wednesday Morning Uniform Shop open 8.30 – 9.30 AM

TERM 4

OCTOBER

19-23 BOOKWEEK 'Curious Creatures, Wild Minds'
 Thur 22 Bookweek Parade (staff & students only)

NEW STUDENTS

A special welcome to our new students and their families who started at Belair this term.

Yr 6: Charly
Yr 4: Katie

We wish you and your families a long and rewarding educational journey whilst at Belair Primary School.

Respect

Responsibility

Creativity

Achievement

CRAZY COLOUR FUN RUN

School Fun Run - Crazy Colour Run

The Crazy Colour Fun has been rescheduled to the afternoon of Friday 13th November. This our major fundraiser for 2020 and is being managed through the organisation, School Fun-Run. The money raised will be funding the recently completed adventure playground.

In not wanting to over burdening families with fundraising in a difficult year for many, the Parent Association has significantly reduced their fundraising activity for 2020 to enable this fundraising initiative to be more successful. Please remember however, families are not obliged to participate in the fundraising and all students can participate on the day.

There will be class challenges and rewards for weeks 2, 3, and 4. The first challenge to be judged from the end of next Friday (week 2) will be to find the class with the most improved average tally from the beginning of term. The award will be an extra PE lesson with Astrid.

Class winners will be announced the Monday after the week of competition.

Please go to <https://www.schoolfunrun.com.au/> to check your progress or register your child.

YEAR 5 & 6 PARENT INFORMATION EVENING

On the evening of **Tuesday 10th November**, we are holding an information evening for parents with students who will be in their final year at Belair Primary in 2021 (students currently in year 5 and 6).

Ms Sue Richards, Assistant Principal, Middle School from Blackwood High school will be our guest speaker. Ms Richards will explain the enrolment to secondary school process and share in some detail their plans for year 7 and 8 students in 2022. We will also be sharing what we are planning for our students next year.

We will be holding two 45 min sessions:

6.15pm – current year 5 families

7.00pm – current year 6 families

This will be a great opportunity for families to learn more about preparations for student transition to high school in 2022. Due to COVID 19 this will be an RSVP event. Please follow this link to RSVP <http://belairps.sa.edu.au/belair-primary-community-events/>

BUSHFIRE PROCEDURES & CATASTROPHIC DAYS

It is extremely important as we move into the fire danger season that all school community members are aware of the Belair Primary School Bushfire procedures. Information on this matter is available on the school website.

Please remember that our school and OSHC is closed on days that are classified as catastrophic in the Mt Lofty Ranges fire district.

We are required to practise our bushfire procedures during the bushfire season. We will be having 2 practices before the end of November.

MATERIAL & SERVICES CHARGES – 2021

The Finance Committee has recommended to the Governing Council that there be no increase in the Materials and Services charge for 2021. The recommendation is that fees stay at \$380.00.

This charge contributes to the cost of providing essential items used or consumed by individual students during the course of their learning. For example, printed and electronic materials, workbooks and access to textbooks, stationery supplies, curriculum materials for the 8 areas of study, printing and copying for use in the educational program. We believe that the annual Materials and Services levy represents excellent value at approx. \$9.50 per school week.

Parents are invited to a public meeting to approve the Materials and Services charges for the next school year. This public meeting will be held on Tuesday the 3rd November at 6.00 pm in the Staff Room prior to the Governing Council meeting. In lieu of attendance, parents can express their views in writing to the chairperson prior to the meeting. Any such correspondence will be tabled at the meeting.

Should you have any enquiries regarding this please contact Judith Wood or Rob Houston.

Belair Primary School - 0524		
Notice of Materials and Services Charges for 2021		
Notice of Charges for Reception - Year 7		
HEADING	ITEMS AND SERVICES	COST (\$)
Printed and electronic materials related to the educational program and which are provided for the student	Workbooks	\$20.00

	\$0.00
	\$0.00
	\$0.00

OSHC

The 2021 OSHC enrolment form will be on the school website from week 4 this term. All children who will be attending OSHC next year will need a completed 2021 OSHC enrolment form. To secure bookings, annually updated health action plans for children with medical conditions will also need to be handed in with enrolment forms. The health action plans are on the school website.

Email completed forms to
belair.oshc537@schools.sa.edu.au

Any questions, please call OSHC on 8278 7609.

PARENT ASSOCIATION

The Colour Run – 13th November 2020

We are off and running! Please go to <https://www.schoolfunrun.com.au/> to check your progress or register your child. Each week there will be lots of fun fundraising incentives! Also see the attached parent letter for more information.

World Teachers Day

We would like to give a huge thank you to our teachers for their amazing efforts this year. Unfortunately we cannot have morning tea to celebrate but the PA has arranged some goodies to show our appreciation of our teachers and all they have done for our children this year.

End of Year Governing Council/Committee/PA dinner

Our annual end of year dinner to be confirmed.

Next PA Meeting - 9am Monday 19th October

Please feel welcome to come to our PA Meeting next week on Monday 19th October at 9am in the staff room, particularly if you would like to be involved in helping out on the Colour Run.

CANTEEN

Here we are Term 4 already! This term we welcome some of our favourites back to the menu ... chicken burgers, chicken twister wraps, frozen OJ cups just to name a few. I will also be adding some new exciting items to the menu from next week so make sure you take a look on Flexischools.

As Halloween is on a Saturday this year and Fridays are a very busy day in the Canteen, we will spread Halloween celebrations over 2 days. Thursday 29th Oct and Friday 30th Oct will be our Halloween days (week 3) If you can make any donation of some spooky goodies it would be greatly appreciated. Either drop off in the Canteen on the day or the day before.

Watch this space: Daily specials to be announced 😊 head to our FB page: Belair Primary School Canteen or check it out on Flexischools menu!

Thanks
Julie

PASTORAL SUPPORT WORKER

Dear Belair Families,

I found this article in a Kids Hope newsletter. It is very good so I thought I would share it with you.

Words Kids Need to Hear

In his book, *Words Kids Need to Hear*, David Staal emphasises some powerful messages children need to hear for them to reach their potential. Here we explore two of them – “I treasure you” and “I’m sorry, please forgive me”.

“I treasure you.”

Kids long to feel special – not because they scored the most goals in basketball or because they have the bluest eyes and the blondest hair. They need to feel precious, prized and valued just for being who they are – children worth treasuring. There is a world of difference between “I congratulate you” and “I treasure you”.

Sometimes being treasured for who you are and not what you do can be difficult for children to understand. They become used to the social norms of being measured, evaluated, compared, graded and often believe that beautiful means better. Whilst congratulatory comments communicate support, they may also promote a sense of competition. The treasure message communicates a high sense of worth – and children who feel worthy are more likely to respect the worth of other people. “Every time we affirm how special our children are to us for being themselves, we’re helping them grow into adults who rejoice in the diversity of the world’s people.” (Rogers, *Many ways to say I love you*, p. 140)

“I’m sorry, please forgive me.”

A child develops the ability to authentically apologise when she knows how it feels to receive an apology. We need to help children learn how respect feels then trust that they will then learn to show it to others. The late James Baldwin wrote. “Children have never been very good at listening to their elders, but they have never failed to imitate them.” (Baldwin, *Collected Essays*, p. 173). Adults do not diminish their authority by apologising. In fact authority flows from respect. A sincere apology fosters respect and trust. Can you imagine respecting someone unable to apologise? Neither can the kids.

An apology needs to be made with humility and no excuses and in a timely manner. By keeping an apology brief – “I’m sorry, please forgive me.” – we maximise the impact of the words. We can all count on the fact that we will make mistakes. Our kids will too. How we handle ourselves after our errors can form lasting impressions on young memories. We need to make sure we also model forgiveness. Remember that kids treat others how they are treated – a child’s ability to forgive comes from the habits they witness. The ability to apologise and forgive will serve as two important life skills we can teach children. The late Dr Martin Luther King Jr said, “Parents need to give children opportunities to develop the ability to freely forgive. He who is devoid of the power to forgive is devoid of the power to love.” (Coretta Scott King, *The Words of Martin Luther King Jr*, p.23)

Sara Walding, Pastoral Care Worker

NETBALL WRAP UP

Like so many sports this year, the Belair winter netball season saw a bit of delayed start... with lots of keen young players and coaches eagerly awaiting the term 3 start. Once we received the all clear, we all hit the courts running and had a great (albeit short) season!

This year we had huge interest in the program with 8 teams being registered; from our netta beginners in Year 2, right through to our graduating Year 7 players.

Throughout the season we saw some triumphant wins, some fairly spectacular losses, but throughout it all, loads of laughs and smiles!

A massive thank you needs to go to our fantastic volunteer coaches, who work so hard every week to instill not only the technical side of the sport in the girls; but ignite their passion for netball. Most being former players themselves, they not only understand the ins and outs, but most importantly share their love and enthusiasm of the game with our girls so freely.

The great attitude and sportsmanship that our girls display each and every week is a huge credit to their coaches.

To Annette B, Emily B, Andrew B, Jayne D, Andrea B, Janie H, Sarah C, Kate H, Rosemary Z and Claire D- THANK YOU!!!

Most importantly though, I need to mention our stars..... our fantastic squad of 79 players!

Rain, hail (yes, they play in hail too!) or shine these girls gave their all each and every week; working to improve their play as a team and further develop their skills. Well done to each and every one of you. Your demonstration of drive, sportsmanship and respect for all players is showcased every week and something Belair Primary school is extremely proud of.

For those of you still at Belair next year, we look forward to seeing you all back out there. For those moving on to new schools next year, we wish you all the very best and hope you keep on playing netball!

I would also like to make mention of our fabulous Year 7 graduating players. A lot of these girls have played together since they made their netball debut in Year 2 – as you can imagine their final game was an emotional one! They have not only bonded as a playing group, but have cemented some fabulous friendships along the way. We wish each of you every success in your next adventures at high school and look forward to hearing about your continuing netball careers.

Penny Z & Tamika B from our Year 7 B2 team

Our Year 7 Div 1 team after their final match for BPS

Top row - Amber B, Ellenor H, Lucy D, Maddison D, Tilly H, Coach – Claire D

Bottom Row – Kate W, Emma D, Olivia N, Emma L, Peta Stuchbery

Wishing all of our players and their families a wonderful Term 4. We look forward to seeing you back on the court next year.

Kerrie – Netball Coordinator

SAPSASA

SAPSASA District athletics this year was held at SANTOS stadium, later than normal and with a few adjustments to align with current restriction but the 32 students who represented Belair Primary against 14 other schools were grateful the event got the go ahead.

It was an exciting day with many students nervous about competing for their first time or at a large athletic venue. Everyone was supportive of their team and encourage everyone to try their best. Well done to each athlete for participating and achieving individual goals.

All competitors should be proud for being positive risk takers and helping to build a stronger team for years to come. It was a very successful day with a number of students making finals for 100m and 200m and others receiving 1st, 2nd, 3rd or 4th place. Congratulations and well done to each athlete the following achieved a placing
Emma D 1st 100m/3rd 200m, Mahlia C 4th 100m, Brodie 2nd 100m, Quinn N 1st 100m, Ashleigh S 1st 800m/Discus, Josh B 2nd 800m, Leif M 1st 800m, Hayley M 3rd 800m/2nd Discus, Cameron W 2nd Discus, Eleanor N 1st Shot put, Lachie G 3rd High Jump, Zac C 3rd Discus, Angus M 2nd Shot Put, Jack M 2nd High Jump, Ellenor N 1st Long Jump, Eli B 3rd Discus, Malakai M 3rd Shot Put/4th Discus and Lilka P 2nd Shot Put.

Notification around selection for representing Southern Heights will be communicated in the coming weeks.

WOOLWORTHS CRICKET BLAST PROGRAM R-2

 **Aberfoyle Park High School**

INFORMATION EVENING
 for students and parents interested in the
 Aberfoyle Park High School
Year 7 and 8 IGNITE program from 2022
