School Fun Run - Crazy Colour Run

We are really looking forward to our Crazy Colour Fun Run on the afternoon of Friday 13th November. This is our major fundraiser for 2020 and is being managed through the organisation, School Fun-Run. The money raised will be funding the recently completed adventure playground. There have been weekly prizes these past two weeks for the class with the highest average fundraising amount. Last week room 20 (Ms Carpenter) were the winners and have won an extra PE lesson with Astrid. This week's winners will be colouring Ms G on the day.

Thank you to those families who are participating in fundraising and please remember that it is not too late to start. Further information regarding permission to participate on the day, prize ordering, timelines and how students will need to prepare will be sent home early next week. Please note, all students are welcome to participate but will need written permission to do so.

In 2018 we recognised the late Diane Mundy for her outstanding service to the school through her volunteer work in the library. We were very pleased to be able to acknowledge her contribution in this way. In 2019 we recognised the work of Jo and Craig Boulderstone. This is

now an annual award and we are looking to acknowledge another person this year. If you are aware of a volunteer who has made a significant contribution to our school, you are invited to nominate them for our '2020 Outstanding Service Volunteer Award'. You may have noticed the particular work of a volunteer through contributions towards governing council, parent association, school sport, resource centre, canteen, student / class support, school clubs etc. If you have a person in mind, please provide a written nomination with their name to the front office by Friday 20th November. Bushfire Procedures & Catastrophic Days

It is extremely important as we move into the fire danger season that all school community members are aware of the Belair Primary School Bushfire procedures. Information on this matter is available on the school website.

Please remember that our school is closed on days that are classified as catastrophic in the Mt Lofty Ranges fire district.

We are required to practise our bushfire procedures during the bushfire season. We will be having 2 practices before the end of November.
