A MESSAGE FROM OUR DEPUTY PRINCIPAL

Year 5/6 Traffic Monitors - Thank you to those year 5 and 6 students who did the recent Traffic Monitor training and are now helping to keep our school community safe on two of the very busy roads around the school. Your service is very much appreciated.

Bushfire Emergency Procedures - Earlier this week we practised our Bushfire Emergency Procedure. This was done in a compliant and timely manner and has given us some feedback to ensure our processes cover all considerations.

School Photo - There were a very small number of children who missed the school photo sessions at the end of February. A photographer will be returning early on Monday 18th March for about an hour to try to catch up with these students and staff.

Water Safety - Year 3-5 Swimming was an enjoyable learning experience for all a couple of weeks ago and the R-2 Swimming Week is coming up next term in week 5. These sessions are held at the SA State Aquatic centre at Marion and the students travel by bus. More details and costs will be out in the coming weeks. If you are an R-2 parent or grandparent who has their volunteer clearances, and you are available between 27th May and 31st May, you may like to consider offering to help.

Easter Raffle - The annual Parent Association Easter Raffle is not far away. The PA are still accepting donations through the front office and the draw will be Wednesday 27th March. The tickets have gone home via your youngest child. If you wish to get extra raffle tickets they are available from the front office.

HARMONY DAY

Belair Primary School will celebrate Harmony day next Thursday 21st March. Classes across the school may engage in Harmony day activities throughout the week, to promote respect, diversity, inclusiveness and belonging.

On Thursday, Students are encouraged to add a touch of orange, such as an orange ribbon, socks, headband etc. to their usual school uniform.

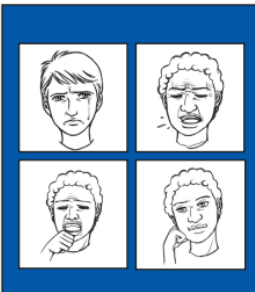

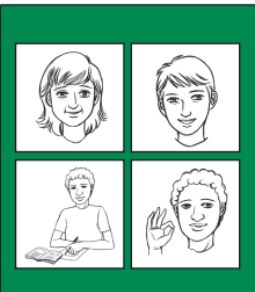

THREE WAY CONFERENCES

It seems that we were only recently talking about the great turn out we had for the parent information nights when we are now planning for our upcoming Three Way Conferences. These are an excellent opportunity for students to share their progress. School and families also get to work together to ensure we have a shared understanding of each child's learning needs. The conferences are scheduled for various times during weeks 10 and 11 this term so look out for the email which will be coming soon with your class teacher's availabilities. We will have the same online booking process as previous years.

ZONES OF REGULATION PARENT INFORMATION EVENING

Next Wednesday, 20th March, we have our 'Zones of Regulation' parent information session starting at 6pm in the library. It is not too late to register, so if you would like to come along and find out more about how this program is supporting the wellbeing of your child(ren), click on this link: [Register Here](#).

The **Zones** of Regulation™
