

AUTHORISATION FOR TRANSPORTATION IN EARLY CHILDHOOD/OSHC SERVICES

Please use block letters when filling out **all yellow sections** of this form

The Education and Care Services National Regulations state that authorisation for a child to be transported must be given by a parent or other person named in the child's enrolment record as having authority to authorise transportation of a child. The early childhood service **MUST** ensure that a child being educated and cared for by the service is not transported outside the education and care service premises unless written authorisation has been given.

Written authorisation **MUST** be given each time a child is transported unless the authorisation is for 'regular transportation'. Regular transportation means the transportation by the service or arranged by the service (other than as part of an excursion) where the relevant circumstances are substantially the same for each occasion. In this case a written authorisation is only required to be completed at least once in a 12 month period.

Note: for excursions the 'ED170 Consent form for camp, excursion, sporting or adventure activity' should be used.
