Today, we're travelling by seatbelt charter bus to Funtopia to play in Funtopia's Playground World. Children can play on super-speed slides, climbing walls, obstacle courses and much more!  After, we'll have lunch and a play at Dunstan Adventure Playground, St. Peters ( <i>weather permitting</i> ).	GooRoo Animation will be back to run a White Board Animation workshop. Drawing on whiteboards is a quick and easy way to create 2D animation. In groups, children can create their own drawn animated movie using the Stop Motion Studio app on iPads. The finished videos will be uploaded to YouTube via the GooRoo Animation Workshops channel to be shared with friends and family.  We'll also play fun gym games.	We will be travelling by seat belt charter bus. We're going to Odeon Star Cinema, Semaphore, to watch 'The Magic Faraway Tree': A modern family relocates to the countryside where the children discover a magical tree with eccentric residents and they travel to fantastical lands.  After the movie, we're going to Bonython Park playground for lunch and a play ( <i>weather permitting</i> ).	If you like music, singing, dancing and playing fun disco games, you will love today's disco with a difference - it's a silent disco! Silent discos don't use a traditional speaker system, but instead each child is provided with a set of wireless headphones. The DJ will engage children in music games and dancing - all through the headphones!
Lunch 1200-12:30pm	Outside, we'll go on a scavenger hunt to find miniature teddies.
